'Beyond the Audiogram'

Thursday, February 14, 2019, 6:30 P.M.

A recorded webinar titled 'Beyond the Audiogram: Diagnostic and Verification Tools to Improve Hearing Aid and Cochlear Implant Fittings', will review some other tools and techniques available to most hearing care professionals to better define needs and measure the outcomes of hearing aid and cochlear implant settings and features.

HLAA Lexington Chapter meets at 6:30 p.m. on the second Thursday of a month (except January, July and December) at Lexington Public Library Eastside Branch, 3000 Blake James Drive, Lexington, Kentucky 40509. Meetings are free, and open to the public.
